(a) Car Park

- CCTV - KL has posted a request on Llandinam facebook pages asking for suppliers to contact him if they are interested in tendering for this. Some quotes are already in hand.

(b) Cemetery/Church

- No issues

(c) Play Area

- Playground refurbishment needs to be completed. One quote for £73,000 has been received, a second company has completed a site visit and we are communicating with a third company to arrange a further quote.
- Football Pitch – a lorry has crossed this field to make a delivery to a local property, causing damage to the field and breaking a manhole cover. Clerk to send a letter to the occupant.
- Bench needs replacing, AO will remove and the community council will choose a replacement and arrange for engraving. This will be approved by a local resident, as the inscription is in memorial.

(d) Highways

- Running water near school – a letter has been received regarding this from a local resident. Severn Trent have tested the water and said it is not mains water and is therefore a Council problem. This has been reported to the council, stressing the danger of an accident due to the moss growing in the water and possible ice following the coming colder weather.
